

Title

baked just right

Paragraph

I have prepared a suitable amount of flour, chocolate chips, cocoa, vanilla, baking powder, butter or ghee, powdered sugar, eggs. I was very excited while mixing the ingredients as I read in the recipe.

Then I rolled out the dough in front of me and brought the cookie cutters. I was very excited to reach this stage so that I could prepare the shapes I wanted.

I prepared everything and put it in the oven and sat waiting for it to come out, and the time has already passed and I am eager to taste it, I left it to cool down a bit and here I am tasting the first piece and I am happy because it is really as good as I wanted it to be.

I am very happy with this experience and I hope to be able to return to the experience soon when we are in a visit to my family.
